090765
7 pol

A line drawing of a power supply unit (PSU) shown from a three-quarter perspective. The PSU is a rectangular box with a series of vertical cooling fins on its top surface. On the front face, there are two rectangular output ports. A power cord is connected to the back of the unit, extending downwards and to the left, ending in a standard two-prong electrical plug. The part number '091342 N/A' is printed vertically on the right side of the PSU.
